

Mr. POE. Mr. Speaker, on Memorial Day, while Americans were celebrating the holiday, Deputy Gerald Barnes of the Harris County Sheriff's Department in Houston was celebrating just being alive.

Responding to a call from a nightclub, the 15-year veteran from the Sheriff's Department came upon two men arguing. Oscar Perez had pulled a gun on Miguel Soto and began randomly firing his pistol.

When Deputy Barnes arrived, he told Perez to drop the gun. Perez refused and shot at Deputy Barnes numerous times. One bullet struck him in the chest above his bulletproof vest. Then after kidnapping Soto, whom Perez later shot, Perez sped off into the night. He was later captured. Oscar Perez had been illegally in the United States for years.

According to reports, the last three police officers shot in Harris County, Texas, were all shot by people illegally in the United States.

Deputy Barnes will recover, but Perez shouldn't have been in this country. The Federal Government's refusal to secure the border is allowing criminals like Perez to invade this country and commit crimes. Instead of promoting amnesty, the government should protect the border.

And that's just the way it is.

IN MEMORY OF JOHN LEWIS, "MR. FAYETTEVILLE"

(Mr. BOOZMAN asked and was given permission to address the House for 1 minute and to revise and extend his remarks.)

Mr. BOOZMAN. Mr. Speaker, I rise today to offer my heartfelt condolences to the family and friends of one of the Third District's greatest leaders and greatest servants, John Lewis of Fayetteville.

He was known as "Mr. Fayetteville" by those who knew him. The list of what he didn't do would be easier to read. John Lewis was a Marine, a banker and a member of numerous boards, including the Winthrop Rockefeller Foundation. He was a visionary who helped develop Interstate 540 and the Northwest Arkansas Regional Airport, both of which serve literally thousands of people on a daily basis.

Many feel the downtown of Fayetteville, the home of his alma mater, the University of Arkansas, exists in its present form today because of the tireless work of John Lewis.

The condolences of many in north-west Arkansas, including myself and my family, are with the Lewis family.

Thank you, John, for our service to our community, our State, and to our country.

GENERAL LEAVE

Mrs. CHRISTENSEN. Mr. Speaker, I ask unanimous consent that all Members have 5 legislative days to revise and extend their remarks and include extraneous material on the resolution under consideration.

The SPEAKER pro tempore. Is there objection to the request of the gentlewoman from the Virgin Islands?

There was no objection.

Mrs. CHRISTENSEN. Mr. Speaker, I yield myself such time as I may consume.

House Resolution 401 was introduced by the gentleman from California (Mr. THOMPSON). It expresses the support of the House of Representatives of the goals and ideals of National Trails Day.

I want to commend Representative THOMPSON for his efforts to bring congressional recognition to this important annual event. This resolution is timely, given that the 15th anniversary celebration of National Trails Day was this past Saturday.

National Trails Day is a long-standing event that is dedicated to celebrating, promoting, and protecting America's magnificent trail system. It was started by the American Hiking Society in 1993. Its goals are to raise awareness of trail, to celebrate our incredible national network of trails, and to honor and thank trail volunteers and partners.

National Trails Day events take place in local, State, and Federal public lands from coast to coast. Activities include hiking, biking, horseback riding, trail dedications, workshops, park clean-ups, trail work projects, and much, much more.

Last year, more than 100,000 trail enthusiasts across the country participated in over 1,000 National Trails Day events. At those events, volunteers contributed nearly 150,000 hours of labor to establishing, maintaining, and cleaning up trails across the country. Trail events take place in all 50 States, the District of Columbia, Puerto Rico, Guam and my district, the U.S. Virgin Islands. Many Federal agencies, nonprofits, local groups, and corporate sponsors are all proud partners in supporting this annual event.

Mr. Speaker, House Resolution 401 honors the contributions that National Trails Day has made to inspire the public to discover, learn about, maintain and celebrate trails. I urge my colleagues to support this resolution.

Mr. Speaker, I reserve the balance of my time.

Mr. CANNON. Mr. Speaker, I yield myself such time as I may consume and rise in support of House Resolution 401.

House Resolution 401 has been adequately explained by the majority. I thank the gentlelady, and urge adoption of this resolution.

Mr. Speaker, I yield back the balance of my time.

Mrs. CHRISTENSEN. Mr. Speaker, I yield back the balance of my time.

The SPEAKER pro tempore. The question is on the motion offered by the gentlewoman from the Virgin Islands (Mrs. CHRISTENSEN) that the House suspend the rules and agree to the resolution, H. Res. 401.

The question was taken; and (two-thirds being in the affirmative) the rules were suspended and the resolution was agreed to.

A motion to reconsider was laid on the table.

EXPRESSING SENSE OF CONGRESS THAT NATIONAL MUSEUM OF WILDLIFE ART BE DESIGNATED AS "NATIONAL MUSEUM OF WILDLIFE ART OF THE UNITED STATES"

Mrs. CHRISTENSEN. Mr. Speaker, I move to suspend the rules and agree to
